Caleb: What news from the front?
me: well sir
me: old John Derbyshire is out
Caleb: Yes, I noticed that.
me: and Rob Dreher goes, he goes, "No one here shares his beliefs"
me: but to be safe, he disables commenting on the post in question
me: which is funny
me: and ol' Redstate is like, "Yep, we don't like that, it's racism"
me: then they have to ban a whole bunch of people
me: it was a fun day
Caleb: Me, I was working for a living.
me: dude, you know don't know what it's like to have to write this fucking book
me: it's terrible
Caleb: Why's that?
Caleb: Too much money?
me: dude
me: it's just terrible
Caleb: Can't bear the heat from Adrien Chen?
Caleb: Is it Adrien Chen?
Caleb: Is he getting to you?
me: NO STOP SAYING THAT
me: WHY DO YOU HAVE TO SAY IT?!
me: I NEED WIDER POWERS
Caleb: What's so fucking terrible about it, faggot-pussy?
me: trying to cater to what Amazon thinks it wants, and it thinks it wants something akin to The Social Network or the book it was based on
me: there's a lot of ins and outs, I'll tell you all about it sometime
Caleb: When's your deadline?
me: 15th
Caleb: Easy.
Caleb: That's almost a full week.
me: hey
me: I am Trayvon
